

Overview FIS KORDOBA

Fidelity Information Services KORDOBA GmbH (FIS KORDOBA) is a leading software and service provider for the European banking market. The company provides IT solutions for a wide range of banking functions, including core banking, securities processing, e-banking, bank controlling as well as authorization and self-service network operations. As single source vendor FIS KORDOBA caters for the whole scale of business-driving solutions that encompass high-quality standard applications, customizing, implementation, comprehensive outsourcing services and maintenance. Based in Munich, FIS KORDOBA employs more than 350 people and is a wholly owned subsidiary of Fidelity National Information Services, Inc. (USA), the world's largest global provider dedicated to banking and payments technologies.
